

## **Submit your own deconstruction**

You can submit your own media example and deconstruction, and we'll post it on our website! We need:

- A properly-formatted media example
- Your deconstruction
- Your contact information

### **Media examples**

Text: Hard copy (original), PDF, or scanned image (see Pictures below).

Pictures: Hard copy (original) or digital file. All common graphics formats are acceptable (JPEG or PICT preferred). Maximum size 800W x 600H, 72 dpi. (If the media example contains small text, you may also provide a high-resolution image or PDF.)

Video: Maximum length 2 minutes. Submit as a digital file (preferred) or on VHS or mini-DV tape. All common digital video formats are acceptable (QuickTime preferred). Image size 320x 240. Maximum file size 5MB.

Audio: Maximum length 5 minutes. Submit as a digital file (preferred) or on cassette tape. All common digital video formats are acceptable (QuickTime preferred).

### **Your deconstruction**

Formats: Microsoft Word, RTF or text-only (TXT). Maximum length 1000 words.

Describe where and when you saw or heard the media example.

If the media example contains hard-to-read small text, write it out.
